TCS - SENIOR SCHOOL

Dear Students, Parents and Carers,

I wanted to take the opportunity to explain a little about the Senior School (Sixth Form) at Tonyrefail Community School as one of your options when you leave Year 11.

Tonyrefail is certainly worth considering for many reasons. We offer an extensive range of courses that will help you move on to university, apprenticeships or into employment. We consistently perform as one of the highest achieving centres for A Levels in RCT. We have been placed in the top 25% of schools across the UK at A Level for 5 years and continue to achieve an excellent A*-A grade performance. Nearly all of our students, year after year, attend their first-choice university.

We appreciate that this year has been a very difficult one and I want to reassure you that we understand this. At TCS, we support all students in studying the learning pathway to help them with their future choices.

We are pleased to inform you that our Virtual Sixth Form Open Evening, providing all the information on each course and information about life at TCS Sixth form, is now available on the school website www.tcs.cymru. The deadline for submitting an application to join Tonyrefail Community School Sixth Form is **12.30pm on Friday, 5th March 2021**.

There will also be an opportunity during the spring term to attend virtual presentations where you will meet staff and have the opportunity to ask any questions regarding the courses on offer. Dates will be made available via the school website and I will be in touch with your Heads of School/Year nearer the time.

If you have any questions, please do not hesitate to contact us at sixthform@tcs.cymru and please follow us on Twitter [@tonseniorschool](https://twitter.com/tonseniorschool).

Yours faithfully

Mrs V Morgan
Assistant Headteacher
Head of Senior School
